**Koperasi Serba Usaha Asosiasi Petani Kopi Manggarai Raya (Asnikom)** is a cooperative formed by a group of coffee farmers in 2010 to develop the coffee value chain in Manggarai Raya. ASNIKOM farmers grow Arabica and Robusta implementing agroforestry system. The main function of this cooperative is to provide capacity building to farmers, develop networks, and implement fair collective marketing activities in order to improve the welfare of farmers. ASNIKOM has been receiving financial and technical assistance from Progreso since 2020 to support their Fine Robusta export to the Netherlands.
