CV Makmur Sejahtera Temanggung (MST)

has been developing collaboration with farmers in Temanggung, to market Robusta coffee since 2017. Java Robusta has the potential with competitive prices and fast delivery to roasters, cafes, exporters in cities in Java. Temanggung coffee farmers need pre-finance to be able to meet their needs before harvest. The presence of CV MST is expected to be an off taker for farmers who can provide good prices for farmers. 2022 is the first year for CV MST to receive financial and technical assistance from Progreso.
