beans**

MECAHC is located on the slopes of the Mt. Elgon in Eastern Uganda, which produces one of the finest washed Arabica coffee of the country, at up to 2,000 meters above sea level. The coop. originated from a beekeeping and coffee integration project. After completing the project successfully, the farmers decided to form MECAHC to market together coffee and honey. Since 2021 MECAHC is receiving support from Progreso to strengthen its capacity, improve coffee quality, get Fairtrade certified and start exporting coffee to add more value

**Type of product:
Arabica, farmer washed**
