100 tons of green beans

Ribang Gayo Musara Cooperative

This cooperative was founded in 2018. Farmers supply cherries to the cooperative. Then, the cooperative processes cherries into specialty green beans with high standard and ready for export. Every year this cooperative supplies approximately 60 tons of specialty coffee for international market. The winner of COE Indonesia 2022 was farmer's coffee from this cooperative. Progreso has supported Ribang Gayo Musara with technical assistance since 2022 in financial literacy preparing them to access finance to support their growing business.
