

Zombo Coffee Partners Uganda

Members cooperation:
1500

Registration date:
2018

Main products:
Coffee

Availability of working capital:
Yes

Total production capacity:
60,000 kg of green beans

Zombo Coffee Partners (ZCP) is a small private company working in close partnership with farmer groups in northwestern Uganda. With technical and financial support from ZCP and others, each group has built a microstation for coffee processing, which it owns and operates. ZCP trains and prefinances the farmer groups, markets their coffee, and shares profits with them. As of September 2020, 700 farmers are in conversion to organic production.

Type of product:
Washed and natural Arabica microlots

Quality:
84 - 86 cup score (60% of volume)

Quantity:
45,000 kg of green beans

Certification:
In conversion to Organic

Harvest season:
September - December

Export season:
January - June
