Farmer members:
350

Registration date:
2018

Main products:
Arabica Coffee

Availability of working capital:
Yes

Total production capacity:
50,000 kg of green beans

Ywangan Shwe Taung Thu (STT) is a farmer owned company located in the town of Ywangan in Southern Shan State, Myanmar. STT was founded in 2018 and has 350 core members from 17 villages around Ywangan. There are another 3.500 coffee farmers in the region that regularly deliver their cherries to one of the 17 villages, which significantly increases the sales potential for STT as well as their area of intervention and impact. STT aims to find the best (inter)national markets for the coffee produced by their farmers, and even through the Covid pandemic and political tension in Myanmar have been able to export high quality coffee every year.

Type of product:
Natural Arabica, centrally processed in 17 villages

Quality:
84 - 86 cup score (50% of volume)

Quantity:
50,000 kg of green beans

Certification:
Planning for FT certification

Harvest season:
December - March

Export season:
May - October
